The Electra Mining Botswana is an international trade fair for mining, industry and power generation, which is held every two years in Gaborone and is open only to qualified personnel. However, the focus is not in the mining sector, but to the industrial, energy and machine tools sectors. Exhibitors meet decision-makers from industry and politics and have the opportunity to present the latest technologies, products and innovations that are available on the market. The Electra Mining is also a platform to acquire new partners, agencies and a new customer base and thereby increase sales. This fair is a very good opportunity to interact with local and international industry peers and experts and to network. On the whole the organisers welcomed on the 3 days of the fair, from 03. September to 05. September 2013, about 118 exhibitors and 2000 visitors from 11 countries on the Electra Mining Botswana in Gaborone. The Electra Mining Botswana will take place on 3 days from Tuesday, 10. September to Thursday, 12. September 2019 in Gaborone.
